

Position: Laboratory and Materials Coordinator

Who we are:

Krystal Biotech (NASDAQ: KRYS) is a gene therapy company based in Pittsburgh, Pennsylvania. We are developing innovative and transformative gene therapy medicines to dramatically improve patient lives affected by debilitating skin diseases. We work to accomplish this goal through scientific innovation, operational excellence, and the belief that “nature operates in the shortest way possible” (Aristotle).

You can learn more about Krystal Biotech, Inc. at www.krystalbio.com

Our vision:

We strive to be the leader in the development of novel and proprietary “off-the-shelf” gene therapy products to fight some of the world’s most serious skin diseases.

Our mission:

To develop transformative, innovative, and science-based HSV gene therapy products and processes to dramatically improve people’s lives.

Job Description Summary:

Krystal Biotech, Inc. is seeking a highly motivated and dynamic Laboratory and Materials Coordinator. The ideal candidate will take responsibility for inventory management and procurement of lab materials, as well as provide general support to the laboratory team.

The ideal candidate is/has:

- In-depth knowledge of warehouse operations, experience in a lab setting a plus
- Highly self-motivated, flexible, proactive, able to follow through in an ambiguous, fast-changing environment, and proven ability to meet deadlines under pressure
- A demonstrated understanding of inventory management and vendor maintenance
- Demonstrated ability to prioritize and manage multiple projects simultaneously
- Demonstrated ability to work effectively with many different types of personalities at all levels of the organization
- A demonstrated self-starter who regularly takes initiative
- Excellent interpersonal, collaboration and stakeholder management skills
- Excellent communication skills (written/verbal)
- Have a bachelor’s degree and 3+ years relevant industry experience, or equivalent

Specific responsibilities include, but are not limited to:

- Ordering shipments of lab materials
- Maintain accurate inventory of warehouse materials
- Receive and inspect incoming shipments
- Work with vendors and/or QA to reconcile issues
- Administrative duties
- General sanitation support

All interested applicants are required to submit their CV/Resume and Cover Letter to jsuskin@krystalbio.com. Please note, applications submitted without resumes and cover letters will not be accepted.
