

Position: Staff Accountant

Who we are:

Krystal Biotech (NASDAQ: KRY5) is a gene therapy company based in Pittsburgh, Pennsylvania. We are developing innovative and transformative gene therapy medicines to dramatically improve patient lives affected by debilitating skin diseases. We work to accomplish this goal through scientific innovation, operational excellence, and the belief that “nature operates in the shortest way possible” (Aristotle).

You can learn more about Krystal Biotech, Inc. at www.krystalbio.com

Our vision:

We strive to be the leader in the development of novel and proprietary “off-the-shelf” gene therapy products to fight some of the world’s most serious skin diseases.

Our mission:

To develop transformative, innovative, and science-based HSV gene therapy products and processes to dramatically improve people’s lives.

Job Description Summary:

Krystal Biotech, Inc. is seeking a highly motivated Staff Accountant who will be responsible for understanding assigned project activities and the transactions that arise from such activities. This is a newly created role in a growing organization that will serve as primary contact between the company’s operations and accounting functions. This role requires approximately 50-75% data processing, including processing of accounts payable and bank transactions. The remainder of the time spent performing job responsibilities will be dedicated to supporting the accounting close process, including preparing journal entries and supporting analysis, performing account reconciliations and other ad hoc projects.

Specific responsibilities include, but are not limited to:

- Serves as a primary point of contact with supply chain and operations personnel
- Codes invoices in conformance with standard Company procedures to ensure proper entry into the financial system
- Performs tasks relating to administration of the accounts payable process
- Focuses on timely and accurate coding of costs
- Investigates one-off issues and determines resolution associated with the processing of invoices and purchase orders
- Reviews transactions for accuracy and identifies trends and anomalies through judgment and analysis
- Analyzes and explains project trends and presents a report of findings to management
- Prepares monthly journal entries
- Actively contributes to the month-end closing process
- Identifies and investigates account variances and prepare variance analyses to ensure accuracy of financial information
- Understands and supports SOX compliance policies
- Performs other duties as required to support the Accounting Department

- Continually evaluates existing processes and procedures for improvement opportunities

The ideal candidate is/has:

- Bachelor's degree in Accounting
- 1-3 years' experience, or applicable internships/co-ops
- Ability to handle multiple projects simultaneously
- Strong team and relationship building skills
- Excellent verbal and written communication skills
- A high degree of organization

All interested applicants are required to submit their CV/Resume and Cover Letter to jsuskin@krystalbio.com. Please note, applications submitted without resumes and cover letters will not be accepted.

Krystal Biotech, Inc. is an Equal Employment Opportunity and Affirmative Action Employer. Qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender perception or identity, national origin, age, marital status, protected veteran status, or disability status. Headhunters and recruitment agencies may not submit resumes/CVs through this website or directly to managers. Krystal Biotech, Inc. does not accept unsolicited headhunter and agency resumes. Krystal Biotech, Inc. will not pay fees to any third-party agency or company that does not have a signed agreement with Krystal Biotech, Inc.
